# Message From Your President

I would like to thank the members of our club for their support of our Halloween evening, November 2, '74/ It was the largest attendance recorded for some time.

May I take this opportunity to welcome our new club "Speakeasy" to Edmonton and wish them success on their new endeavor.

The first of 1975 will be the start of an new ear for the board and members to embark upon. Many new changes must be decided upon and accomplished in order that we may continue to enjoy the same services as we do now. PLEASE MARK YOUR CALENDAR FOR SUNDAY, JANUARY 19, 1975 and plan to attend our GENERAL MEETING at 2:00 p.m. So often in the past we hear of complaints and criticisms through the so called "grape vine. The general meeting is the time to express yourselves openly as well as help form the Club '70 policy and direction for the coming year. Remember it's your club and how it operates depends on your decisions. Coffee and doughnuts will be served

In the meantime, I look forward to seeing you all each week at the Club.

A Message from Your Program Director

I would like to lead the board and members of Club '70 in a round of applause for our Halloween show " Basically Black", featuring the creatures from the Lavendar Lagoon, Allan, Chatty, Grant, Ron and Shaine. Assisting on lights were Roy and Anji, John on music and Wendy and Nicholas on make - up and wardrobe.

A lot of time and effort went into the production of the show but many of these folks expressed to me how much they enjoyed putting it on.

If you have any hidden talents you would like to share with the rest of Club '70 please do not hesitate to contact any board member, staff or myself. The Club needs your involvement which will assure you enjoy yourself.
